

BALTIC FIRE SAFETY TECHNOLOGY FORUM		
LITEXPO TRADE FAIR AND CONFERENCE CENTRE		
28-29 AUGUST, VILNIUS		
FIRE PREVENTION SEMINAR		
28 AUGUST, TUESDAY (DAY 1)		
08 50	09 00	Inauguration. Speech of Interior Minister or/and National Fire Department General or/and Association president
09 00	09 30	Lecture 1: Marco Antonelli, Promat "Case: collapse of Twin Towers. Fire engineer's perspective"
09 35	10 05	Lecture 2: Grzegorz Krajewski, ITB „CFD calculation and hot smoke tests as a complex and powerfull tools for safety systems in buildings“
10 10	10 40	Lecture 3: Jingyan Zhou, Hong Kong University of Science of Technology „Hilti’s innovative products and software of passive fire protection and simplicity of pre-engineered solutions design“
10 45	11 15	Lecture 4: Henrik Johansson, Tyco "Corrosion in sprinkler pipe work and alternatives preventing corrosion"
Coffee, Tea, Biscuits 20min		
11 35	12 05	Lecture 5: Marija J. Rukavina University of Zagreb "Fire Safety of Facades in Croatia"
12 10	12 40	Lecture 6: Laimonas Dedura, Obo Bettermann "Functional integrity of fire safety systems in Objects"
12 45	13 15	Lecture 7: Marco Antonelli, Promat Italy "Differences between fire resistant air supply ducts and smoke ducts"
Lunch 60min		
14 15	14 45	Lecture 8: Waldemar Steher, Stöbich Brandschutz "Advantages of fire resistant textile closing systems. Best practise"
14 50	15 20	Lecture 9: Krzysztof Baginski, SITP Poland "Designing effective smoke and heat exhaust ventilations systems"
15 25	15 55	Lecture 10: Rafal Szczypta, National fire department, prevention control co-chief "Nation control on fire risk calculations and CFD fire modelling"
16 00	16 30	Lecture 11: Henrik Johansson, Tyco
FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 16:00 (4 P.M.)		

FIRE PREVENTION SEMINAR		
29 AUGUST, WEDNESDAY (DAY 2)		
8:30 Coffee, Tea, Biscuits 30min		
9 00	9 30	Lecture 12: Andrzej Wójcik, TECHNOKABEL S.A., Poland. „Modern constructions of cables and wires in the fire safety and protection study”
9 35	10 05	Lecture 13: Rafal Szczypta, National fire department, prevention control co-chief “Fire safety design of photo voltaic elements in/on buildings”
10 10	10 40	Lecture 14: Grzegorz Krajewski, ITB Poland. „Hot smoke test as a complex test for safety systems in buildings”
Coffee, Tea, Snacks 30min		
11 10	11 40	Lecture 15: Darius Tarvydas & Hänni Adrian, Securiton “Innovative fire detection systems for freezers, dusty & hard industrial condition premises”
11 45	12 15	Lecture 16: Dr. Esko Mikkola, Chief Fire Safety Expert, KK-Fireconsult Ltd “Finland experience on fire safety”
12 25	12 55	Lecture 17: Henrik Johansson, Johnson Controls / Tyco “High Rise buildings – Zoning and Pressure reduction”
Lunch 45min		
13 40	14 10	Lecture 18: Wiaczeslaw Bugajew, Mercor “Variety of Mercor fire solutions”
14 15	14 45	Lecture 19: Marcin Cichy, Honeywell “New EN 54 standards and their impact on fire alarm and voice alarm systems design and product certification”
14 50	15 20	Lecture 20: Vladimirs Polovkins, Latvia “Honeywell fire alarm, voice alarm system compliance and design principles with new EN54 standards”
15 25	15 55	Lecture 21: Adam Kovics, FPA, UK. “Fire safety in construction sites. Wireless innovative technologies saving lives”
09 00 ÷ 16 00		Visiting the Fire Trade Fair
FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 16:00 (4 P.M.)		

Conference program is under constant changes.

Please contact Martynas (+370 686 83633 / info@fogo.lt) for latest updates.

BALTIC FIRE SAFETY TECHNOLOGY FORUM		
LITEXPO TRADE FAIR AND CONFERENCE CENTRE		
28-29 AUGUST, VILNIUS		
FIRE & RESCUE SEMINAR		
28 AUGUST, TUESDAY (DAY 1)		
08 50	09 00	Inauguration. Speech of Interior Minister or/and National Fire Department General or/and Association president
09 00	09 30	Lecture 1: Kęstutis Lukošius "Trends and guidelines of creating volunteer firefighting system in Lithuania"
09 35	10 05	Lecture 2: Marcus Bükér "Organisational structure of Freiwillige Feuerwehr"
10 10	10 55	Lecture 3: Szymon Kokot, CFBT "ABC of tactical fire ventilation" Part 1
11:00	11 30	Lecture 4:Rafal Meczynski, Weber Rescue Hydraulics "Rescue Days – the biggest training drill in Europe"
Coffee, Tea, Biscuits 20min		
11 50	12 20	Lecture 5: Henrikas Baldauskas PAGD LERT "Lithuania's role in international rescue operations"
12 25	12 55	Lecture 6: Mindaugas Kruopys Klaipėda Fire Dept. "Experience from HAZARD trainings chemical leak and people in the water"
13 00	13 30	Lecture 7: Szymon Kokot, CFBT "Cancer prevention for firefighters"
Lunch 60min		
14 30	15 00	Lecture 8: CFBT representative "Technical rescue gear tactics when dealing with electro cars"
15 05	15 35	Lecture 9: Arjan Ligthart, Libratec "Highlights of firefighter training drill gear"
FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 16:00 (4 P.M.)		

ORGANIZATION COMMITTEE: +370 686 83633 or INFO@FOGO.LT

FIRE & RESCUE SEMINAR		
29 AUGUST, WEDNESDAY (DAY 2)		
8:30 Coffee, Tea, Biscuits 30min		
9 00	9 45	Lecture 11: Szymon Kokot "ABC of tactical fire ventilation" Part 2
9 50	10 20	Lecture 12: Robert Wieczorek, Lakeland Protective Coveralls "Chemical protection gear innovations"
10 25	10 55	Jerzy Kotarba, Task Force Tips "Fire extinguishing gear innovations"
11 00	11 45	Lecture 13: CFBT representative "Design & Build of special container premises for firefighters training"
Coffee, Tea, Snacks 30min		
12 15	12 45	Lecture 14: CFBT representative "Firefighter rescue drills"
12 45	13 15	Lecture 15 Pawel Kalinski, Walbrzych Fire Department "Rescue operation in Swiebodzice catastrophe"
FIRE SAFETY AND FIRE/RESCUE TRADE FAIR CAN BE VISITED FROM 8:30 A.M. TILL 16:00 (4 P.M.)		

Conference program is under constant changes.

Please contact Martynas (+370 686 83633 / info@fogo.lt) for latest updates.
